FOREWORD

By Mr Greg Ptolemy, Principal

Welcome to the next phase of your transition to Stage 6 studies at St Francis Xavier's College. Our community is looking forward to working with you to ensure that your experience in the final years of schooling is both individually and communally enriching, challenging, engaging, and ultimately rewarding.

As you would recall, the College has previously issued a Curriculum Handbook, containing critical information about Stage 6 courses and other matters related to Stage 6 study. We now present to you a second handbook that explores a more detailed and diverse array of College matters. It contains useful, practical information about being a student at St Francis Xavier's College pertaining to both curricular and non-curricular concerns.

Now is a time of transition for students, parents and the College alike. As such it can be a time of both excitement and apprehension, which is normal in a time of change. The issuing of this second handbook is part of our process of supporting our new students, and their families, during this time.

As you prepare for this next phase of your educational journey, I would invite you to spend a few moments reflecting on the partnership into which you are venturing. As a College we will strive to offer the best environment for each student where they will be challenged and supported in their growth academically, spiritually and personally. In return, we will expect each student to achieve to their full potential in accordance with their various talents. We will also ask that our students respect every person who is a part of this community, whilst also committing to College life through active participation in all that is on offer. We trust that your contribution to this environment will provide you with a great platform for the future.

For now, I urge you to carefully read the material that is contained in both of our handbooks to ensure readiness for the year ahead and encourage you to retain them for future reference.

If you still have queries that have not been addressed in these handbooks, you are always welcome to contact the College.

I wish all families the very best for the remainder of the year and throughout this transition period.

Our Vision and Mission

Vision and Mission launched at the Student Commissioning Ceremony, 18 February 2000

Our Vision

St Francis Xavier's College will be recognised as a vital community, proclaiming Jesus as Lord, witnessing Excellence, Generosity and Compassion shaped by the Catholic tradition;
where all engage in active evangelisation and quality teaching and learning;
where senior students, along with their teachers, parents and carers participate fully in the life of the College reaching out to others through their families, parishes and society;
and where all realise their full potential.

Our Values

Our College is a place where people
Know that God is recognised and spoken about.
Feel welcome, accepted and valued.
Grow as Christians.
Pursue knowledge and lifelong learning.
Develop an awareness of social justice and ethical issues.
Exercise responsible care for each other.
Understand and appreciate the role and contribution of families
Grow towards wholeness.
Develop their own special identity.
Develop a healthy discipline and respect for self.

Our Mission

To bring St Francis Xavier's College closer to achieving its vision by bringing together the teaching, learning, resources and support services required so that all involved in the College feel enabled and empowered to achieve their vocation in life.

College Environment

St Francis Xavier's College is a comprehensive, co-educational Catholic senior high school serving the people of the greater Newcastle region. As part of the Catholic School System, we receive our mandate from the Bishop of Maitland-Newcastle and within that the College is administered according to Diocesan Education Policy and shaped by the Marist Tradition of Education.

The College motto 'Christ My Light' animates the life of the College and we recognise and celebrate the contribution of our four House Patrons drawing on a central feature of each.

Champagnat (*Marist Brothers*) Family

Dominic (*Dominican Sisters*) Truth

MacKillop (*Sisters of St Joseph*) Service

McAuley (*Sisters of Mercy*) Mercy

We are committed to providing a curriculum that caters for the diversity of student needs, one that is Catholic and imbued with Gospel Values.

Such a curriculum is holistic (mind, heart, body, soul) challenging, appropriate and is concerned with excellence and a keen sense of personal and social responsibility.

We achieve this by striving to establish a learning community and an enlivening experience of Christian faith so that our graduates leave us as good Christians and good citizens having entered into a personal relationship with Jesus. They will take with them a Catholic perspective; they will be confident in themselves, and their education and they will have an attitude to learning that will enable them to respond positively to the challenges and choices that will confront them in an ever changing world.

College Crest

The Motto

“Christus Lux Mea” (Christ My Light) emphasises the reason for the existence of the College. It is essentially a Catholic community dedicated to the development of personal excellence in its members and the spread of this excellence to the wider community.

The Cross

In bold detail, is the centre, the strength and the uniting theme of the badge. It emphasises elements of self-discipline and self-sacrifice implied in the motto.

St Francis Xavier

When the Marist Brothers’ school “St Mary’s Star of the Sea” moved from Newcastle on the Hill to our present College site in 1928, St Francis Xavier was chosen as the Patron Saint of the new school. He was a great Jesuit scholar, a missionary to our Asian neighbours and one of the Patron Saints of Australia.

The Sailing Ship

Emphasises the missionary element in the life of St Francis Xavier and in the life of every Christian in spreading the “Good News”.

The Star

Mary, Mother of God, guides all Christians on their journey through life, and Mary “Star of the Sea” is a very old and favourite title given to her. As stated above, it was the name given to our first Newcastle school in 1898.

Brief History of St Francis Xavier's College

St Francis Xavier's College was established in 1985 to serve the Catholic youth of Newcastle, and district, for the last two years of their secondary schooling. It was seen as a continuation of the Catholic Education system founded in the Diocese of Maitland-Newcastle more than a hundred years ago.

The establishment of this senior College was a result of a major restructuring of Catholic schools in the Newcastle area at the time. An essential principle of this restructuring was "to establish a system which would provide equality of access and opportunity for both boys and girls, thereby eliminating some inequality that currently existed throughout the city."

In deciding on one senior co-educational College for the Newcastle area, the Bishop and his advisers reasoned that "St Francis Xavier's College will also be able to offer a wide range of electives and levels, improved class size and maximum use of senior school facilities". The choice of the site was greatly influenced by its centrality and accessibility to transport facilities.

1985, the inaugural year of the new College, was a transitional year with co-educational classes in Year 10 as well as in Year 11, and with boys only in Year 12. It was not until the following year that there were only Years 11 and 12 at the College. 1986 saw a total student enrolment of approximately 850. This number continued to grow steadily and now enrolment numbers consistently exceed 1000.

From the beginning there has been an ongoing building program necessitated by an increasing enrolment and a changing school curriculum. There were also the disastrous effects of the 1989 earthquake involving considerable damage to many of the College buildings. It took at least two years to restore some buildings and to replace others completely lost.

A major addition to the campus was the construction of the College Hall. This building was opened in 2006 which then enabled assemblies, sports and drama to be undertaken in a modern and appropriate complex.

In more recent years there has been an emphasis on upgrading the facilities of the College. To this end a major program to provide disability access throughout the campus was undertaken in 2013.

Specialist centres were also constructed that included the MacKillop Centre for students with special needs and the Hospitality Centre for the delivery of VET Hospitality and Food Technology. This centre also operates as a café for students and staff before the start of school each day.

Towards the end of 2014 the campus was significantly enhanced with a complete renovation of the main quadrangle. This area was re-designed to include outdoor basketball/volleyball courts, artificial turf and modern landscaping.

Significant works were also undertaken in 2015 and 2016. These works included re-constructing four science laboratories, re-building the Music Centre into a modern, purpose-built complex and a complete re-construction of the student toilets. Also, an extensive air-conditioning program was undertaken so that all classrooms were equipped with reverse-cycle air conditioning.

2022 saw the completion of a refurbishment and renewal of a 'wellbeing' space in the former school hall at the top of 'B' Block. The space is open-planned and comfortably furnished, inviting students to share some relational time together without the distractions of technology.

Tutor Group and House System

The Tutor Group is the basic pastoral care group within the College. Each group consists of approximately 20 students. The Tutor Group, under the care of a member of staff known as the Tutor Group Leader, stays together for the entire two years.

The purpose of Tutor Group is to give students a place “to be at home” within the College; it will be a place where they will feel most supported and very much at ease with a particular group of students and the member of staff appointed as the Tutor Group Leader. The teacher develops a solid rapport with the students and makes every effort to be available and to support them. Students will be encouraged to be appropriately and fully involved in College life.

The Tutor Group meets each day commencing with prayer. The roll is marked, and Daily Notices are discussed. The Tutor Group Leader will contact parents/guardians after a third consecutive day of a student’s absence to check whether any support is required.

The Tutor Group unit remains intact for the bigger events of the College calendar such as ‘Getting to Know You Day’, HSC and Beyond Day and the Year 12 Retreat. A core feature of Tutor Group life is the social interaction among the students and their Tutor Group Leader daily.

Most of the College’s administration and celebrations are carried out through the House system.

The names of the Houses acknowledge the four religious orders who established Catholic education in the Diocese of Maitland-Newcastle.

Champagnat (*Marist Brothers*)

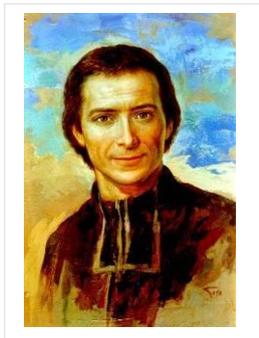

Dominic (*Dominican Sisters*)

MacKillop (*Sisters of St Joseph*)

McAuley (*Sisters of Mercy*)

The House Names

The names of the four Houses which the students belong to come from the founders of the religious orders which firmly established Catholic education in the diocese in the last century.

Champagnat House

Takes its name from Saint Marcellin Champagnat, the founder of the Marist Brothers. The Brothers were founded in France in 1817 to respond to the spiritual and physical needs of the young and poor, especially through education. By the time Champagnat died in 1840, there were over 280 Brothers, and already some had left as missionaries in lands far away. Today, Marist Brothers live and work in 70 countries and number about 6000. The Marist Brothers came to the Diocese of Maitland in 1898, opening schools in Maitland and Newcastle.

Dominic House

Is named after the Spaniard, St Dominic de Guzman, ca. 1170-1221, the founder of the Order of Preachers (the Dominicans). At an early age Dominic was motivated to oppose the heresy at the time which promoted the dual concept of a good God and an evil God. Travelling on foot, Dominic founded communities of his Priests and Sisters in France, Italy and Spain. The Sisters of St Dominic are now found in all parts of the world; they came to the Diocese of Maitland in 1867.

MacKillop House

Is named after Saint Mary of the Cross MacKillop, the founder of the Sisters of St Joseph. Mary, the eldest of eight children, was born in Melbourne on 15 January 1842. Not a great deal is known about her early life and education, but as an adult she wrote that her home was not a happy one. Her father experienced great difficulty in supporting his family, emotionally and financially. At the age of 16 Mary sought employment and had a succession of jobs. In 1860, when she was 18, Mary went to Penola in South Australia, where she took up the position of governess. It was here that she first met Fr Julian Tenison Woods. Between them they established a new religious congregation dedicated to the work of educating children in the area. The Sisters of St Joseph were founded, and schools conducted by them spread rapidly; they came to the Diocese of Maitland, to Lochinvar, in 1883.

McAuley House

Is named after the Venerable Catherine McAuley, 1778-1841, the founder of the Sisters of Mercy. Born in Dublin, she established a House of Mercy for the poor in Dublin in 1827, and, with encouragement from the local archbishop, founded a religious community in 1831 to serve the poor, the sick, and the distressed. Between 1831 and 1841, the year of her death, Catherine personally opened twelve of the fourteen original Convents of Mercy. In time, the Sisters of Mercy became the largest group of women religious established in the English-speaking world; they came to the Diocese of Maitland, to Singleton, in 1875.

Student Leadership

All students at the College have the potential for leadership and are called upon to exercise it. Being a senior College there ought to be a high level of maturity and responsibility among students.

At the formal level emphasis is placed on the role students play in the organisation of the College. They lead weekly College assemblies, organise House Day celebrations and play pivotal roles in College events.

*One area that involves everyone
is the care that we should have for one another.*

Areas of Leadership

Tutor Group Representatives

The Tutor Group elects representatives who help to organise the Tutor Group and support the Tutor Group Leader. They also meet with the other Tutor Group Representatives in their House and their House Captain.

Student Council

The Student Council comprises a group of students who are elected from the student body to represent their interests and to promote events which improve the way of life at the College for each student. Four College Captains and four House Captains form the Student Representative Council.

There is a leadership program held for the elected Year 12 Tutor Group Representatives at the end of Year 11. This body of students nominate the students who are to be considered for appointment to the Student Representative Council.

The Student Representative Council attend a Marist Leadership Conference at Mittagong with student leaders from other Marist schools in New South Wales.

Student Wellbeing

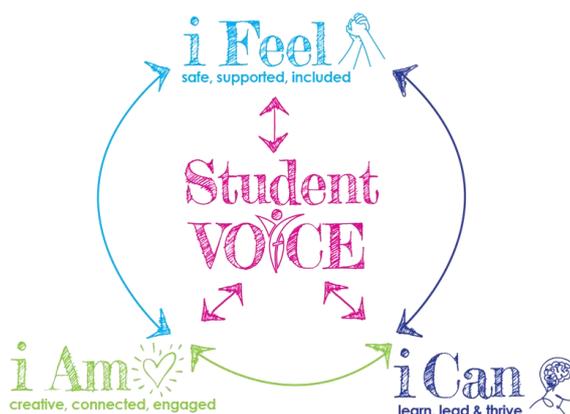

The approach to Wellbeing and Pastoral Care is guided by the Student Wellbeing and Pastoral Care Policy (2022) and fits within, and is complemented by, the Diocesan Learning Framework, Creating the conditions for supportive Learning in the sense that the environment is designed to be safe and inclusive, one that promotes academic rigour. A high priority is given to building and maintaining positive and caring relationships between staff, students and parents, and the wellbeing of all'.

Pastoral Care is foundational to our Catholic faith and traditions, where student voice is valued and there is an emphasis on the development of the whole person. Wellbeing and learning are inextricably linked. St Francis Xavier's College seeks to promote a safe, supportive and inclusive environment, where students have opportunities to be creative, connected and engaged so that they can be successful life-long learners.

Wellbeing Together - Student Wellbeing and Learning Across the Whole school (2022).

At St Francis Xavier's College we recognise the importance of, and work to, build connectedness and enhance relationships. The following help to promote wellbeing:

- Orientation into the College
- The Commissioning Ceremony
- The House System
- "Meet and Greets"
- Community Days
- House Days
- Social Justice activities
- Vinnies
- Leadership training
- "What Works for Me?"
- Student Wellbeing Group
- Sport
- Yoga

This list is not exhaustive. Additionally, we have a full time Careers Advisor, a Pastoral Care Worker and an onsite Counsellor available to the students, five days per week.

College Counselling Service

Availability and Referral Process

The College counselling service is provided by School Counsellors who are available each day of the week. The counselling service provides learning assessments and counselling for students. Students can access this service through a number of options.

1. Students can self-refer by making an appointment with the administration staff in Student Services.
2. Parents can refer their child by contacting the administration staff in Student Services.
3. Staff can refer students, after speaking with a student first, by making an appointment in Student Services or directly with the School Counsellors.
4. The Learning Support Coordinator can refer students for learning assessments, with parental consent.

Student Activities

There are many opportunities to become involved in the SFX community. We encourage students to take advantage of as many of these opportunities as they can. In addition to becoming mindful about and active in social justice issues by providing a service to others, students will form new relationships and hopefully build strong and lasting connections. Opportunities will be advertised through Tutor Group and assemblies. Some examples are as follows.

St Vincent de Paul Group

The “Vinnies” group is an active group of students who meet weekly and organise awareness raising activities, fundraising and community events. Additionally, they visit those people in the public in need of assistance and social contact.

Yoga

Yoga is offered free of charge to students once per week as a practice to improve student wellbeing. Yoga is a proven method of increasing flexibility, strength and general fitness. It is an effective way to reduce stress and anxiety. It is also fun and a great way to build community, connections and confidence. The classes are suitable for all levels of fitness and ability. A qualified yoga teacher leads the classes and adapts the classes to students’ needs.

Disability Provisions

Students, in the alternate year group, volunteer to support students as a reader and/or a writer for numerous and varied reasons in assessment tasks.

Collections

The College continues with its long history of supporting worthy charities by participating in collections for charities such as Red Cross and Legacy.

Community Days

There are various days throughout the year where the College community comes together to celebrate, commemorate or raise awareness about significant issues. Some of these days are “out of uniform” and themed to highlight the event eg: House Days – Champagnat, MacKillop, McAuley and Dominic Days, SFX Day (Christmas Theme), RuOk day, Vinnies Day, Refugee and Migrant awareness.

Sport

Whilst the College does not have a dedicated sports afternoon, there are opportunities for students in all sports at a competitive level.

- NSWCCC Hockey
- NSWCCC Basketball
- NSWCCC Open Boys Cricket
- Diocesan Swimming Team
- Diocesan Touch Football
- Rugby Union
- Cross Country
- Diocesan Golf
- Diocesan Athletics
- Rugby League
- Netball
- Soccer
- Surfing
- Touch

Student Attendance Procedures and Absences

It is of great importance in Years 11 and 12 that wherever possible students do not miss learning opportunities due to absences. This is of particular significance when absences impact on assessments.

Parents/guardians are asked to be aware of the following requirements regarding student leave.

- To comply with government regulations absences must be authorised by parent/guardian within **seven (7) school days of the absence occurring**.
- Student absences can be telephoned directly to Student Services on 4961 2110 or emailed to hml-studentservices@mn.catholic.edu.au
- Students who wish to apply for extended leave must complete the appropriate CSO endorsed leave form and submit at least two weeks prior to any extended leave. Forms can be accessed via Compass, Community, School Documentation, Extended Leave Forms or upon request from Student Services.
- Students arriving late must sign in at Student Services. Parent/Guardians can explain late arrivals by phone, email or written note within seven (7) school days of the absence.
- Students who need to leave early must have a parent phone or email Student Services or bring a note from a parent/guardian within seven (7) school days of the absence. Once students are signed into the College, they are not permitted to leave the grounds without permission. If students are granted permission, they must sign out at Student Services.
- SMS messages regarding absence are automatically sent each day unless the Student Services has been notified.
- Should parents/guardians have issues arise that impact on the child's attendance it is very important that they contact the relevant Leaders of Wellbeing and Engagement, or Assistant Principal.

Assessment Advice 2023

Parents / Guardians are advised the assessment blocks for the Year 11 course 2023 are as follows.

Mid-Course Assessment Block
Monday 22 May to Friday 26 May 2023 inclusive
Year 11 Final Examinations
Monday 4 September to Friday 15 September 2023 inclusive

Please note that students commence their HSC courses on Day one of Term 4 2023 being **Monday 9 October 2023** and their first HSC assessments will be scheduled during that Term.

Parents/ Guardians should note the following in relation to leave other than sick leave:

- Students will not automatically be granted approved leave during examination blocks – therefore if a student is absent from examinations for reasons other than illness, they will not be able to sit for exams and potentially will receive a zero score. Please understand that, with in excess of 500 students in Year 11, it is not possible to reschedule examinations or to ensure security of papers if a student sits for an examination outside of the usual examination block. Furthermore while we understand that families are sometimes only able to take holidays outside of designated school holiday breaks, we would ask that leave not be taken during assessment blocks where possible.
- The assessment calendar can be accessed via Compass Calendar which clearly shows due dates for hand in tasks and dates for in class assessments.
- If students have assessment tasks during a period when parents request leave the student will be required to complete an Assessment Variation Form and present this to the relevant Leader of Learning **at least two weeks prior** to the leave and then be prepared to submit the task prior to leave.

It is a student's responsibility to follow the assessment procedures outlined in the Assessment Handbook that will be issued to all students at the commencement of Term 1 2023 and be available for viewing via Compass | Community | School Documentation.

To clarify, if students are absent during assessments (other than ill) they will not necessarily be given an estimate for the assessment, or the opportunity to sit for the assessment before or after the assessment block. It is impossible to maintain security and to run a parallel assessment timetable with 500 plus students to consider, neither is it fair for some students to have additional time to prepare for assessments. All leave should occur outside of assessment/blocks wherever possible.

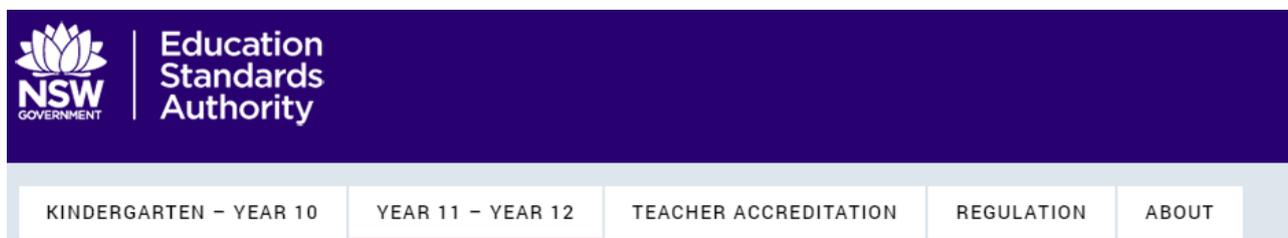

Parents should also be aware that if students are absent in the weeks prior to the assessment block, students can be disadvantaged as teachers may be completing work or revising work that is included in the assessment. No additional time will be given in this case.

It is expected that parents/guardians will support their child's studies by planning and making arrangements for appointments and holidays in term breaks, wherever possible.

All My Own Work

All students must complete the All My Own Work program as per NESA expectations prior to commencing Stage 6 studies. This will either be completed in conjunction with your current school or may be completed online.

Please note that should you complete this program online you will need to provide screenshots of your results to the College.

HSC ALL MY OWN WORK PROGRAM [as per NESA website]

Completing assessment tasks honestly

HSC All My Own Work is a program designed to help HSC students follow the principles and practices of good scholarship. This includes understanding, valuing and using ethical practices when locating and using information as part of their HSC studies.

Students who have completed the program will also know about penalties for cheating and how to avoid malpractice when preparing their work for assessment.

To be eligible for the HSC, students must complete HSC: All My Own Work (or its equivalent) before they submit any work for Year 11 or Year 12 courses, unless they are only entered for Year 11 and Year 12 Life Skills courses. Please refer to the website below and HSC All My Own Work.

[HSC All My Own Work program](#)

There are five modules to be completed:

- Module one: [Scholarship Principles and Practices](#)
- Module two: [Acknowledging Sources](#)
- Module three: [Plagiarism](#)
- Module four: [Copyright](#)
- Module five: [Working with others](#)

HSC Minimum Standard Information

The NSW Education Standards Authority (NESA) have introduced a HSC Minimum Standard prerequisite for students to attain their HSC.

To show they meet the HSC minimum standard, students need to achieve Level 3 or 4 in short online reading, writing and numeracy tests of skills for everyday life.

Students would have had opportunities to sit these tests throughout Year 10. Should you have not met the HSC minimum standards on enrolment you will get additional opportunities in terms 2 and 3 of Year 11.

For further information on HSC minimum standards please refer to the [NSW Education Standards Website](#)

Bring Your Own Device

All students are expected to bring and manage their own device. The College will provide basic assistance from a technical standpoint such as access the College network, but the responsibility of repairs and warranty claims will rest with the students and parents.

The College has determined the following requirements are necessary for a full interactive educational experience across all areas of the curriculum.

Platform	Windows 10/11 or iOS (Apple Mac)
Design	Tablet or Laptop or UltraBook
Screen Size	Minimum 10" (inches diagonal size screen)
Features	Wi-Fi access Separate keyboard Protective Covering (preferable but not essential)
Essential Software	Microsoft Office 365 (available on enrolment) Adobe Acrobat Reader (or suitable PDF viewer)

Parents are asked to purchase a Windows Tablet/Laptop for their child in preparation for the start of school year, where they will receive instructions on how to connect to the College Wireless Network. Students will still be bound by the Internet Agreement and Acceptable Use Policy, as stipulated by the Catholic Schools Office (CSO) and all Network traffic will be monitored.

Parents will need to select their preferred level of extended warranty and accidental damage protection. and will need to maintain an adequate level of cover to minimise disruption to the use of the devices.

Students have free access to Microsoft Office 365, high quality internet and a suite of applications to enhance their learning. The free Office 365 subscription provides them with free email, Word processing, Spreadsheet and Database as well as PowerPoint presentation software. Students also are provided with a cloud-based storage folder (Onedrive) which frees up their device storage and makes 24/7 access to files available.

NOTE: Personal property of students, for loss or theft on College premises, is NOT covered by the College's Property Insurance.

Student Uniform Expectations

Uniform is one of the College's expectations.

It is the responsibility of students to know and to follow the requirements of the College uniform.

Students are expected to present themselves neatly and be properly attired each school day and at every school function.

A Uniform Code has a number of functions

- Like many of our dressing rituals the donning of the uniform helps to focus our minds on what lies ahead. In this case it helps to focus the student on the College and the requirement that schoolwork and learning be the priority.
- It removes the need to have a range of 'fashion labels' with which to attend school. We come dressed the same. It says something about all being in this together, and it is an external sign of our belonging.
- In a school this size, the uniform has a safety and welfare dimension. Students attend courses both here and other sites eg TAFE. It helps us to locate students and to ensure that all who come onto the College campus are enrolled here.
- It has a modifying influence on extreme forms of behaviour. The uniform and the College are well known. To the extent that it challenges students to behave in a way that safeguards or fosters the good reputation of the College, then it serves a useful purpose.

The uniform is part of the education we provide. Students are to wear it and wear it well! This includes black leather (polishable) shoes. The shoe should give protection to the upper foot and have safe heels and soles.

If for some reason a student is unable to present himself or herself in the complete uniform, then a note should be carried to explain the situation. This is for reasons of accountability and courtesy.

Expectations when wearing the Uniform

1. The full College uniform is to be worn on all school days. Students will be regularly checked. Students who consistently disregard the uniform expectations will be placed on detention. Students who seriously breach the expectations will be sent home until the problem is rectified.
2. **The skirt length is to be worn close to the knee.** The band on the skirt is to remain intact and the skirt is not to be worn with the band rolled over.
3. Jewellery is to be discrete. Accordingly multiple ear piercings are not permitted, and students will be required to remove excessive, large or colourful jewellery if it is considered inappropriate. Spacers are not permitted.
4. The only facial piercing permitted is a small, discrete clear nose stud. Therefore, nose rings, brow piercings, septum piercings and sub dermal stud implants, etc. are all unacceptable.
5. Any tattoo is not to be visible.
6. Hair is to be neat, tidy and of a "natural" colour. Extreme hair styling is to be avoided. **NO** "dreadlocks".
7. Boys are to keep facial hair neatly trimmed.
8. During Terms 2 and 3 (winter uniform) all boys will be expected to have their shirts tucked-in with a belt to be worn.
9. At formal occasions, such as award presentations, the full winter College uniform including blazers is to be worn.

Communication

Daily Notices

Tutor Group occurs every morning and daily notices are read. This includes information about events for the week or those coming up, careers notices, sport information and changes relevant to that day of the week. Students should also keep themselves abreast of information via the Compass app.

Email

All students will have a student email address which they should access regularly as this is one of the primary sources of communication across the school.

Information / Help / Assistance

Students can access their classroom teacher or Leader of Learning for information regarding courses and assessments. Each student meets daily with their Tutor Group Leader and can access their Leader of Wellbeing and Engagement for any support.

The Assistant Principal – Teaching and Learning and Assistant Principal – Wellbeing and Engagement are also available for help and support.

Student Services Office

Student Services are accessible from 8:00 am until 3:15 pm daily. Parents should contact them directly for any student related issues on 49 612110 or through email hml-studentservices@mn.catholicl.edu.au

Information is also available on the College website hamilton.catholic.edu.au

Newsletter

The Lighthouse is issued several times each term. The Lighthouse will be available on the College website and via Compass.

The newsletter will include some of the following:

Dear Parents/Guardians, Students and Friends of SFX

Welcome and Introduction

Welcome everyone to the new school year. I hope that the Christmas and New Year period provided you with a chance to unwind and enjoy the company of family and friends. As you would be aware, the Marist Brothers stepped down from the leadership of St Francis Xavier's College, Hamilton during the course of 2019. I feel privileged to be given the opportunity to now lead the community as we move into a new era. In saying this, it is important to note that the college will remain closely aligned with the wider Marist community and will retain the Marist values as fundamental principles in our undertakings.

By way of introduction, my teaching career has carried me to five schools across our diocese (St. Joseph's Aberdeen, All Saints College St Mary's Campus, Maitland, St Paul's High School Booragah, St Mary's Catholic College, Gunnedah and now St Francis Xavier's College Hamilton). During this time, I have held leadership positions as both a Studies and Student Co-ordinator and been an Assistant Principal for thirteen years. My central teaching areas have been Religious Studies, Drama and English.

Each of these teaching experiences has helped to shape my understanding of the vital role that learning plays in the human journey. It is the ongoing process of renewal through learning that enables us to grow and realise our potential. I am committed to encouraging all members of our community to embrace learning actively and purposefully, and I have been delighted to discover that this belief is one that is shared by so many of our wonderful staff and students in the college – it is certainly a vibrant place.

A Thought for the Year Ahead

In my initial address to the College for 2020, I seized the opportunity to clarify some fundamental expectations for the year ahead, as well as to provide students with a challenge.

Expectations

My expectations for students in the College are clear and not negotiable.

1. Respect – self and others
2. Attend – regularly and punctually
3. Uniform – wear it with pride and uniformly
4. Learn – actively and with purpose.

Challenge

In the film *The Imitation Game* (2014), Benedict Cumberbatch plays the extraordinary Mathematics professor Alan Turing whose work in developing the first digital computer helped crack the German Enigma code and became decisive in assisting the Allies to significantly reduce the number of casualties and duration of World War II. While the movie deals with complex moral and ethical issues as it explores Turing's life, the focus of my challenge to the students came from one line in the film that is repeated on multiple occasions:

Sometimes it's the very people who no one imagines anything of who do the things no one can imagine.

The Christian tradition often visits this theme as out of the most humble of beginnings arise people of faith who accomplish the very things that no one could imagine. The most powerful example, of course, arrives in the Son of God himself, who is born to unassuming parents and becomes the most influential human to grace the Earth.

So, my challenge to the students in their aspirations at the commencement of a new year, is to not be defined by preconceived conceptions of their limitations. Sometimes these limitations are placed upon us by others, whilst other times, we limit our own capacity through self-perception.

For each of us, our life journey began many years ago but right now we have the chance to redefine our capabilities, to reimagine what we can achieve, and to put in place the systems to help us in the pursuit of such dreams.

May our College in 2020 be a place where imagination, faith and learning journey together.

I am looking forward to meeting each of our students and feel privileged to share in this brief part of their journey. I also look forward to meeting our wider community at functions throughout the year.

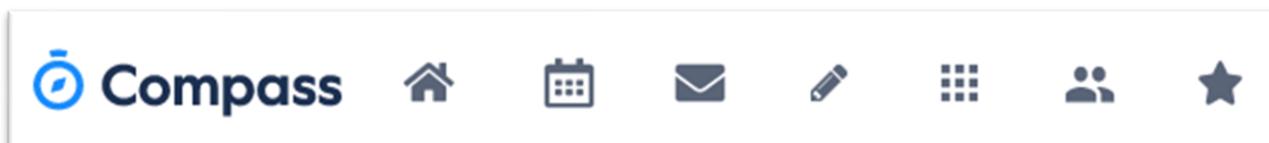

May God bless.

Compass

Compass

St Francis Xavier's College Hamilton's Student Information System is called Compass. Compass is a comprehensive system that will enable the school to effectively manage all information relating to your child/children. Compass forms part of a broader implementation of a Student Information System for the Diocese of Maitland-Newcastle. Compass will offer a secure, yet easy connection to essential information parents and carers needs in relation to their children.

A Compass account for St Francis Xavier's College will be created for parents and carers towards the end of the year in readiness for your child to commence in 2023. Parents and carers will receive an email in the last weeks of this year containing instructions and login details to their Compass Parent Portal.

Students and parents can download this app from the app store and check for alerts and notifications. It can be downloaded to smart phones and computers.

Compass Calendar

All significant events are published on Compass. Students and parents are also advised of upcoming school or class events through Compass. Students are asked to view the Compass Calendar in advance to familiarise themselves with coming events.

Logging into the Compass Parent Portal for the First Time

1. Go to the school website, scroll to the bottom of the page under the Parent link (2nd from the left) click on compass **Links for Parents > COMPASS**
2. Enter your **Username** and **Password** from your parent letter *[sent via email]*
3. You will be prompted to confirm your contact information. Please ensure that your contact details are correct. Click the **Update My Details** button.
4. You will be prompted to **create a password**. Note that your password must:
 - Be at least eight characters in length.
 - Contain at least one UPPERCASE and one lowercase letter.
 - Contain at least one number.
 - Click **save** when you have created your password.
5. You will be redirected to the **Compass homepage** where you will be able to view your student's profile and schedule, add attendance notes, view and download reports and any news feed items that may be relevant to your student.

General Information

First Day 2023

The first day of classes for Year 11 will be **Tuesday 31 January 2023 commencing at 9:05 am.**

Tuesday 31 January and Wednesday 1 February will be orientation days for Year 11 students **ONLY** where full attendance is required, dressed in the **summer College uniform** *ie blazer and stockings not required.*

Orientation Days

These days occur at the commencement of the academic year. The new Year 11 students will be the only students at the College on the first two days and there are a number of aims:

1. To meet the teachers who have key positions in the College's operation.
2. To meet their Leader of Wellbeing and Engagement and Tutor Group Leader.
3. To become familiar with the layout of the College and meet their course teachers.
4. To commence their program of study.

Course Choices

We trust that you have felt supported and informed in recent months throughout the process of the induction program. We hope that students have been realistic in their course choices. Not only should they keep in mind the requirements for specific courses of study that they wish to pursue after the Higher School Certificate, but they should consider their ability to study those courses successfully.

All requests for changes in course selection need to be completed by the end of the enrolment interviews. **It should be noted that students who request changes to their study program may not be able to be accommodated due to timetable structures and staffing.** Students may complete a 'Waiting List' form if they wish to be considered for courses that are fully enrolled. If a vacancy becomes available, the change will be made on their 2023 timetable.

Course Changes in 2023

After the commencement of studies in 2023, students will not be permitted to change courses until after Week 3 of Term 1. If a student feels 'out of their depth' or that the course is not what they anticipated, students are to arrange an interview with their Leader of Wellbeing and Engagement.

If the Leader of Learning agrees with the change, parents will be asked to sign a request form to indicate their approval. **As changes are subject to availability in classes, students should choose carefully in the first instance to avoid disappointment in accessing courses.**

Parents / Guardians and students are reminded that students will not be permitted to change classes based on dislike of a teacher or members of the class. If there is a serious issue an appointment should be made with the relevant Leader of Learning to resolve the issue.

Changes of a level within a subject, for example from English Advanced to English Standard or Mathematics Advanced to Standard Mathematics will be permitted at any time, up to the 30 June, with the approval of the Leaders of Learning for English or Mathematics.

Textbooks and Stationery

Most required texts will be supplied by the College. This system allows significant savings for parents/guardians, making the purchase of expensive textbooks unnecessary.

General Information

Students will be expected to come to the College on the first day fully equipped with stationery ie leaver arch folders, pens, pencils and ruler. This matter must be attended to before the start of the school year. A good beginning with all the right equipment is essential.

Identification Card

The student's Identity Card (ID Card) must be brought to school each day. It is given to students at the beginning of the year.

- It will allow them to collect their textbooks from the Library.
- The Attendance System used at the College requires the students to carry their ID Card to school each day. If an ID Card is ever lost or mislaid, students must purchase another at a cost of \$10.00.
- **The ID card must be presented at all exam venues for Year 11 and Year 12 course examinations.**

Behavioural Expectations

Curriculum Expectations

Education in Year 11 and Year 12 is a serious endeavour. Accordingly significant expectations are required of each student to ensure that their own learning is productive, and the learning of others is not impaired.

- Students are to be fully engaged with their studies (including all school, TAFE and Distance Education courses) and apply themselves with due diligence.
- Students are required to work productively with their teachers and other students in their classes.
- Students are to treat their teachers with respect on all occasions and appreciate that teachers have an authority role in all classes.

Serious Matters Relating to College Discipline

Alcohol: The consumption and/or possession of alcohol in any form is strictly prohibited. Students are not to be at the College, or be involved in any College-based activity, while under the influence of alcohol or in possession of alcohol.

Vaping/Tobacco: The smoking and/or possession of any type of vaping materials or tobacco product is prohibited.

Unlawful drugs: Under no circumstances will the use or possession of unlawful drugs of any kind be permitted.

Violence: The College has a "non-violence" policy which prohibits; fighting, hitting, pushing, wrestling, or any other physical contact. The College enforces this rule for the safety and wellbeing of all its students.

Endangerment: Any action that directly, or indirectly, endangers a member of staff or another student will be considered as very serious. This includes the carrying of weapons (or items that are to be used as weapons), abetting the presence of unauthorised persons on the site and threats of violence.

Cyber and phone activity: Using the internet and/or phone to bully, harass, send inappropriate images, access inappropriate images, threaten, organise unacceptable activity is not accepted.

Respect for a person's property: The property of other people is to be respected.

Respect for the College: The College reserves its right to protect its good name and it does not tolerate any activity that undermines it. Frequently, graduating students rely on the good name of the College in their career endeavours.

General Information

Unauthorised absence from school: Students are not to be leave the College without prior approval from their parents/guardians and the College.

Consequences of Serious Breaches in Expectations

Students can expect that all the actions stated above will lead to significant consequences. Such consequences may include suspension and exclusion. As most of these actions are illegal students can also expect that there may be police involvement. The College has a practice of actively working with the police in incidents that are illegal.

Illness and Injuries at the College

For students who are too sick to remain at the College, contact will be made with parents or guardians and a request made for them to be collected. The same arrangements apply for minor accidents. However, in the case of serious accident, an ambulance may have to be called or emergency treatment requested. Your signature on the enrolment papers gives the College the authority to do this. At all times, every effort will be made to make immediate contact with parents or guardians. Please ensure that all parental/carer contact details are always current and updated.

All students, staff and their families should follow NSW Health's advice to reduce the risk of not only COVID-19, but also other illnesses that may affect schools such as the flu.

- Stay home if unwell or showing even the mildest of symptoms
- Keep up to date with vaccinations – including the flu vaccine, which is available from your local GP, pharmacy or Aboriginal Medical Service
- Get tested immediately for COVID-19 if you become symptomatic and isolate until you receive a negative result and are symptom free
- Practice good hand hygiene by washing regularly with soap and water
- Take a RAT before visiting vulnerable loved ones or going to large gatherings and events.

Administering Medicines in Schools

Arising from a school's duty of care, there will be occasions where administering medication is necessary to support students whilst they attend school or school related activities when support cannot be reasonably undertaken by parents or others. Arising out of this duty of care is the need to ensure the proper use of medication, safety of other students and provision of training for staff.

St Francis Xavier's College complies with the Diocese of Maitland-Newcastle Catholic Schools Office Administering of Medicines in Schools Policy. This policy, in full, is publicly available on the diocesan website www.mn.catholic.edu.au/about/policies

St Francis Xavier's College Road Safety Policy

Belief Statement

At St Francis Xavier's College we believe that a road safety policy provides a framework of common understanding for students, staff, parents/carers and the community who interact with the College to provide a safe environment.

St Francis Xavier's College is founded on the person of Jesus Christ and is committed to educate in Gospel values, especially in hope, love, justice and care for others in the community.

The main intention of this policy is to ensure the health, safety and welfare of our students who use the services and facilities of this College. We do this by assessing the risks in the road environment around our College, developing practical school management procedures and ensuring that curriculum pertaining to all road safety issues is taught to our students.

Environmental Statement

St Francis Xavier's College is a senior College of over 1000 students and therefore has a large number of student drivers. The College is in a residential area which requires students to park in neighbouring streets. The supervision is commensurate with the age of the students and the flexible nature of the timetable.

Aims / Goals

At St Francis Xavier's College we aim to:

- Provide a quality road safety education program for Year 11 and Year 12 that develops responsible road use, attitudes and behaviours.
- Have procedures in place that maximise the safety of students when they arrive and depart the College.
- Encourage the education of road safety issues in the wider school community eg parents/carers, staff and visitors.

Curriculum Statement

At St Francis Xavier's College our staff will develop and implement effective, sequential road safety education programs within the Year 11 Personal Development, Health & Physical Education key learning area and the pastoral care program through Long Tutor Group program.

Our programs will make use of current Roads and Maritime Services resources and will address the following road safety issues for our students:

- Passenger safety
- Pedestrian safety
- Safety on wheels (bicycles, scooters, rollerblades and skateboards)
- Driver education

When it is appropriate, we will make use of other suitable resources and incorporate them as part of an ongoing program. The use of additional resources will enhance the teaching and learning of road safety education to our students.

School Management Procedures

At St Francis Xavier's College the staff will maximise the safety of students by:

- Providing supervision of students in both playgrounds before school and during lunch and recess breaks
- Seek permission from a parent/carer of nominated adult before allowing a student to leave the College during school hours

- Seek permission from the aforementioned for students to attend excursions or out of school activities; information will be provided regarding modes of transport
- Constantly remind students about their responsibility as drivers or road users
- Provide supervision each afternoon at the King Street lights and Denison Street crossing to ensure students cross the road at the lights in a safe and legal manner
- Request that any staff member or volunteer who will be transporting students provide evidence of a current driver's license and insurance cover

Discretionary Basis

The principal has the right of discretion to make provision for departure from the policy or the application of the policy in the event of unforeseen and exceptional circumstances.

This policy was prepared by the College staff and the Diocesan Road Safety Education Consultant.

Adoption Date: 16 July 2012

Review Date: 1 August 2014

Updated: February 2020

Road Safety Procedures

Arriving and Departing

Parents/carers and family members are encouraged to inform students about and reinforce correct and responsible road use behaviours.

There are four designated points of entry to St Francis Xavier's College.

- Everton Street
- Parkway Avenue
- Hebburn Street
- Ada Street

Arrival and Departure on Foot

Given the large number of students who drive to school, students need to exercise caution when approaching and leaving the College grounds and the environs. Students are not to walk along the median strip along King Street but must use the pedestrian crossing and lights appropriately.

Staff will be on duty after school to supervise the students using the crossing on King Street in front of the TAFE and the pedestrian crossing at Denison Street.

Arrival and Departure by Car

Parents/carers, family members and students are expected to use the legal street parking spaces for pickup and delivery of students. It is illegal to park on the median strip in Parkway Avenue.

The College has a large student population. Drivers should ensure that they exercise caution and arrive and depart the College and its environs in a safe, responsible and legal manner. Similarly pedestrians must exercise due caution given the large number of relatively inexperienced drivers who arrive and depart around the same time.

The car park is for staff and visitors only. Students are **NOT** to use the car park unless given permission by the principal for exceptional circumstances.

Students who utilise the Assisted Travel Scheme are accompanied to and from the vehicle by a staff member.

The College is located in a 40km/h school zone where a 40km/h speed limit applies for the hours of 8:00 am – 9:30 am and 2:30 pm – 4:00 pm on school days. The speed limit is lowered to 40km/h during these hours to increase the safety of the students arriving and departing the school. Drivers must abide by these speed regulations.

Student Driver Expectations

The expectations for student drivers at the College are as follows:

- Students are only permitted to drive **to and from** the College once a completed permission form has been personally given to the Leader of Wellbeing and Engagement.
- Students are not permitted to drive to other College events or activities, including sport, retreats, excursions, etc. without the permission of the principal.
- Drivers are only permitted to carry passengers whose parents/carers have granted permission for them to do so.
- The nominated passenger must have written permission from their parents/guardian. The written permission is to be personally given to the Leader of Wellbeing and Engagement.
- Any student driver who is involved in illegal, dangerous or irresponsible behaviour while driving may have their permission revoked.

If any of the above expectations are breached, then the student will face significant disciplinary consequences (potentially including suspension from the College). If any student (other than the nominated passenger) is a passenger in the car, then he/she will also face significant disciplinary consequences (potentially including suspension from the College).

The following forms are available from Student Services:

1. **Permission Note to Transport Students During School Hours to Approved School Activities by a Parent/Staff member/volunteer**
2. **Permission Note for Student to Travel as a Passenger**
3. **Permission Note for Student Drivers for Approved School Activities**

Answers to Frequently Asked Questions

Mobile Phones

Phone usage will be at the discretion of the teacher. Note that mobile phones are not allowed into any examination rooms. Students who fail to abide by these rules may be placed on detention and risk a 'zero' for malpractice. Phones are allowed in study for appropriate usage. They are **not allowed in class** without permission of the teacher, at Assembly or House Meetings. **If they are stolen or lost, they are not insured by the College.**

TAFE Premises

Students approaching the College in the morning or leaving the College in the afternoon in the direction of the TAFE are asked to **walk around the TAFE, not through it.** The TAFE grounds are private property.

Crossing Roads

All students are reminded of the importance of crossing roads in an appropriate manner and at an appropriate place. Students who need to cross King Street of an afternoon are to cross at the traffic lights at the crossing in King Street and Denison Street crossing, in front of the TAFE, opposite Wood Street. Students are to follow the directions of staff on duty at this crossing.

Jewellery

- Jewellery is to be discrete and not detract from the College uniform. Accordingly multiple ear piercings are not permitted, and students will be required to remove excessive, large or colourful jewellery if it is considered inappropriate. Spacers are not permitted.
- The style is corporate.
- The only facial piercing permitted is a small, discrete nose stud.
- Nose rings, brow piercings, septum piercings and sub dermal stud implants, etc. are all unaccepted.
- Large earrings and coloured beads and necklaces are NOT part of the College uniform.
- Students who fail to abide by these simple rules will be asked to remove the items or may have them confiscated.

Tattoo

Any tattoo is not to be visible.

Out of Uniform Days

- Due to WH&S Regulations, on out of uniform days students are still required to wear covered in shoes.
- Dress should be appropriate for a school setting ie no inappropriate slogans on clothes, no short shorts, singlet tops.

Students to Remain on Premises

- Students are to remain on the premises for the school day unless permission has been granted for leave.

Home Study

- Home Study is available to Year 12 students if they have shown themselves to be diligent and punctual.
- Leaders of Wellbeing and Engagement in consultation with Leaders of Learning will decide whether a student is eligible for Home Study.
- This will be reviewed midway through and at the end of each term.

Fee Information 2023

Fee Clearance

Finalisation of school fee payments at your current school is a condition of enrolment at St Francis Xavier College. A fee clearance will be required by your current principal.

Fee Statements

Fee statements will be emailed to the person listed as the Parent/Carer 1 (primary mailer) on the enrolment form. If you wish the fee account to be split, please contact the Finance Office at the College.

Applying for Fee Concession

Families are encouraged to contact the Finance Office for a confidential discussion. Fee concession application details will also be available at the time of interview from the Finance office.

Existing arrangements with other schools will be taken into consideration. For a confidential discussion regarding fees please phone **the College Finance Office on (02) 4969 0315, Monday to Friday, between 8:30 am and 3:00 pm.**

For holders of Health Care Card or Pensioner Card, please submit a copy of your card to the Finance Office from January 2023. The rebate is applicable to your tuition fees, less any family discount applied.

School fees are reviewed in the latter half of each year by the Catholic Schools Office, Diocesan Office and College Executive. Therefore 2023 school fee costs are not currently available, however as a guide we have included the 2022 school fee structure.

[College Fee Information](#)

Please note that it is expected there will be an increase to school fees for 2023.

NB: Each student will be insured for school related activities. Included in the tuition fees will be an insurance component for Personal Accident and Disability. Information available Student Care Insurance Information	

Student Care Insurance Information

Accidents will happen, and they can be costly. Playing sport, riding bicycles, at home and in the playground, students are always at risk from injury. Student Care Insurance is a student accident insurance policy specifically designed for schools, Colleges and universities. It's purchased by educational institutes to cover all enrolled students and provides benefits for a range of (non-Medicare) medical services, such as dental and physiotherapy costs which have been incurred as the result of an accident. Additional expenses such as medical expenses (where the law allows), emergency transport, home tuition and school fee relief are also payable under the policy.

Student Activities Only Policy

This policy includes cover for camps, school sports (including out of hours activities, as long as these are facilitated by the school/College), work experience, camps, travelling to and from, and student activities. It also includes any activity organised or authorised by the school/College. This includes before and after school care, if organised by the school/College.

Important Notice about Medical Expenses

CCI is not a registered health fund and therefore cannot pay all medical expenses. We are prohibited under the Federal Health Legislation (including the Health Insurance Act 1973) from paying any Medicare rebate including the Medicare gap. Student Care Insurance cover is not a substitute for health insurance and should not be compared to health insurance. We are only permitted to provide cover for the cost of any hospital treatment or other benefit if the cost arises from an injury whilst taking part in certain activities, such as:

- attending school/College
- engaging in a sporting activity
- undertaking a work experience program
- providing voluntary services to a religious, charitable, educational or benevolent organisation
- participating in youth activities organised by a voluntary association such as Guides or Scouts, and
- travelling to or from the above activities

Limits of Benefits do apply

Complaints Resolution for Parents and Carers Office of Safeguarding

Our commitment

As the Bishop of Maitland-Newcastle I expect you to place the safety, welfare and wellbeing of every child and vulnerable adult at the centre of everything you do in the name of our church. Each one of us is responsible to ensure we are aware of the signs of abuse, that we know how to respond to a disclosure of abuse and we know how to report our concerns. Most importantly, I require every worker in the Diocese to be prepared, should the situation ever arise, to call out the unsafe or abusive behaviour of colleagues and workmates. The conduct we walk past is the conduct we have condoned.

The Diocese is committed to:

- ▶ Fostering communities of safeguarding, including open and respectful communication about issues of safeguarding with individuals, families and groups
- ▶ Upholding the dignity and rights of all children and vulnerable adults and seeks to empower them to have their voices heard
- ▶ Training all relevant personnel in safeguarding knowledge and skills including indicators of abuse, supporting people to disclose abuse and reporting abuse
- ▶ Working closely with statutory authorities to report alleged abuse and support them to investigate those allegations
- ▶ Developing our risk assessment and management systems for all diocesan activities and personnel
- ▶ Developing the breadth and depth of our auditing and compliance regimes
- ▶ Implementing and maintaining compliance with the national Principles for Child Safe Organisations and the national Catholic Safeguarding Standards.

I call upon each one of you. Every partner in our faith communities, each worker in our CatholicCare and other community and family support services, every staff member in our schools and our St Nicholas centres, each cleric and religious conducting ministry amongst us. Safety Welfare Wellbeing

The Catholic Diocese of Maitland-Newcastle has an abiding commitment to promote the safety, welfare and wellbeing of children and vulnerable adults – particularly those who participate in the life of the Diocese as part of our faith communities in parishes, in our diocesan systemic schools, early education centres and out-of-school hours care service, as part of our welfare and community services through CatholicCare and other diocesan ministries.

The office of the Director of Safeguarding has been established by decree, issued by the Bishop of Maitland-Newcastle.

The Office of Safeguarding is an integral part of the Diocese, reporting directly to the Bishop's Office. The Office of Safeguarding is placed outside the Diocese's services, programmes and parishes, overseeing their safeguarding standards in operation.

The Office of Safeguarding works with NSW Police, the Office of the Children's Guardian, the Department of Community and Justice and other statutory authorities and specialist authorities within the Catholic Church in Australia to fulfil its responsibilities and maximise the safeguarding of children and vulnerable adults.

The Office of Safeguarding supports the schools of the Diocese:

- ▶ in meeting compliance with statutory obligations and diocesan codes of conduct, policies, procedures and protocols relevant to safeguarding children
- ▶ with delivery of mandatory Safeguarding training to all school personnel
- ▶ with provision of a daily intake service that analyses concerns for children, provides advice and support to staff or parents, analyses statutory reporting obligations are met and ensures appropriate follow-up to complaints when warranted
- ▶ in conducting or overseeing investigations of diocesan personnel who are alleged to have committed criminal conduct, reportable conduct or a breach of professional standards against a child
- ▶ with provision of an alternative dispute resolution process for complaints between parents and staff that can't be resolved within the school
- ▶ in assisting in the management of individuals identified as posing an elevated risk.

Religious Education Agreement

Religious Education is the foundation of our existence as a College. It is not only the academic classes such as Studies of Religion, which make up present day Religious Education. Studies of Religion or Studies in Catholic Thought are elements of our religious education program. These courses are knowledge based. In the case of Studies of Religion, the syllabus is developed by NESAs, and is available to all HSC students in New South Wales.

Our College, along with NESAs is also committed to the moral, spiritual and faith development of our students. This is achieved by involving students in social justice activities, Catholic liturgy and by maintaining an atmosphere of respect based on the model of Jesus Christ.

With Christ as our light and guide, we live the values of the Gospel and encourage our students to become active, engaged members of the Catholic community. Our prayer, liturgy, retreat, and social justice programs are all essential elements of our life at the College and the development of our students.

All students are expected to engage in this study of Religious Education and participate in our liturgical programs as members of our College community.

It is mandatory for students at St Francis Xavier's College to be available to participate in the Year 12 Retreat which is held in Term 2

Attendance is Compulsory

Statement of Understanding

Student will accept the offer of enrolment at St Francis Xavier's College and give an undertaking to abide by the following conditions.

1. I recognise and accept the aims of the College as a Catholic school and will support its religious practices and programs. I will attend and participate fully in all RE classes and College liturgies.
2. I understand that my attendance and participation at Year 12 retreat is mandatory. Only the principal can provide an exemption from this activity.
3. I will accept the rules and discipline and will abide by the directions given for the good management of the College. In particular I agree that I shall:
 - Respect the rights of all people in the College community and their property.
 - Be polite and courteous at all times.
 - Be punctual to all my commitments.
 - Wear my designated College uniform correctly at all times.
 - Be well groomed.
 - Remain on the College premises unless I have approved leave.
 - Strive to behave in a manner that will be a credit to myself and the College in any activity, attending excursions, and especially when travelling to and from the College.
4. Realising that the two years of senior secondary education will require my best efforts, I will accept the conditions of study, which include attendance at all classes, and the work involved in such studies, as prescribed by the College and the NSW Education Standards Authority (NESA). I understand that academic commitments normally take precedence over casual employment and external sporting involvement.
5. Realising the harmful nature of vaping and tobacco products, alcohol and illegal drugs, I agree to abide by the regulations which forbid their use and / or possession:
 - On my way to and from the College
 - At the College
 - On excursions, retreats, socials or any College associated activity
6. I will use social networking in a positive way.
7. I will take an active part in College activities and will try to foster a sense of community spirit in the College.
8. I will not advertise or organise any activity which contradicts the values that the College upholds, and I will not use the College's name in association with any social function without the approval of the principal.

Personal Protective Equipment Agreement

Students enrolled in the following subjects at St Francis Xavier’s College are required to supply and wear appropriate safety work wear when participating in practical activities associated with the course and work placement:

- VET Construction
- VET Manufacturing & Engineering
- VET Hospitality
- TAS Industrial Technology-Furniture & Timber Product Industries

This compliance is mandatory and deemed necessary for the College to fulfil its Work, Health & Safety regulations and its duty of care for the safety of the students. Students without the required footwear **WILL NOT** be able to take part in practical lessons or complete Work Placement.

CyberSafety User Agreement for Secondary Students

This document contains this cover page and three sections:

Section A: Introduction

Section B: Cybersafety Rules for Secondary Students

Section C: Cybersafety Use Agreement Form.

-
1. Please read sections A and B carefully. If there are any points you would like to discuss with the school, let the school office know as soon as possible.
 2. Discuss the cybersafety rules with your child.
 3. Sign the user agreement form (Section C) and return that page to the school office.
 4. Please keep Sections A and B for future reference.

Important terms used in this document:

- (a) *The abbreviation 'ICT' in this document refers to the term 'Information and Communication Technologies'*
- (b) *'Cybersafety' refers to the safe use of the Internet and ICT equipment/devices, including mobile phones*
- (c) *'School ICT' refers to the school's computer network, Internet access facilities, computers, and other school ICT equipment/devices as outlined in (d) below*
- (d) *The term 'ICT equipment' used in this document, includes but is not limited to, computers (such as desktops, laptops, PDAs), storage devices (such as USB and flash memory devices, CDs, DVDs, floppy disks, iPods, MP3 players), cameras (such as video, digital, webcams), all types of mobile phones, gaming consoles, video and audio players/receivers (such as portable CD and DVD players), and any other, similar, ICT device as they come into use*
- (e) *'Objectionable' in this agreement means material that deals with matters such as sex, cruelty, or violence in such a manner that it is likely to be injurious to the good of students or incompatible with a school environment.*

* The term 'parent' used throughout this document also refers to legal guardians and caregivers.

Section A: Introduction

The school's computer network, Internet access facilities, computers and other school ICT equipment bring great benefits to the teaching and learning programs and to the effective operation of the school. The use of the school's ICT equipment is for educational purposes appropriate to the school environment. This applies whether the ICT equipment is owned or leased either partially or wholly by the school and used on or off the school site. Parents need to note that while our school has rigorous cybersafety practices in place, it is not possible to completely eliminate the risk of exposure to inappropriate online content.

The school may monitor traffic and material sent and received using the school's ICT network. The school may use filtering and/or monitoring software to restrict access to certain sites and data, including email. You should be aware that general internet browsing by your child from home or other locations other than school are not monitored or filtered by the school.

The school may audit its computer network, Internet access facilities, computers and other school ICT equipment/devices or commission an independent forensic audit.

All students will be issued with a user agreement and once signed consent has been returned to school, students will be able to use the school ICT equipment.

Section B: Cybersafety Rules for Secondary Students

1. I cannot use school ICT equipment until my parent(s) and I have signed my Cybersafety User Agreement form and the completed form has been submitted to school.
2. I will log on to school ICT with the username the school has issued me with. I will not allow anyone else to use my username. I will not tell anyone else my password.
3. While at school or a school-related activity, I will not have any involvement with any ICT material or activity which might put myself or anyone else at risk (e.g. bullying or harassing).
4. I understand that I must not at any time use ICT including social media (e.g. Facebook, Twitter etc.) to upset, offend, harass, bully or threaten or in any way harm anyone connected to the school or the school itself, even if it is meant as a joke.
5. I understand that the rules in this use agreement also apply to mobile phones. I will only use my mobile phone(s) at the times that I am permitted to during the school day.
6. I understand that I can only use the Internet at school when a teacher gives permission and there is staff supervision.
7. While at school, I will not:
 - a. Access, or attempt to access, inappropriate, age restricted, or objectionable material.
 - b. Download, save or distribute such material by copying, storing, printing or showing it to other people.
 - c. Make any attempt to bypass security, monitoring and filtering that is in place at school. This includes but is not limited to the use of Internet proxy anonymisers.
8. If I accidentally access inappropriate material, I will:
 - a) ***Not show others***
 - b) ***Turn off the screen or minimise the window and***
 - c) ***Report the incident to a teacher immediately***

Appendices 4

9. I understand that I must not download any files such as music, videos, games or programs without the permission of a teacher. This makes sure the school complies with the Copyright Act 2006. I also understand that anyone who infringes copyright may be personally liable under this law.
10. I understand that these rules apply to any privately owned ICT equipment (such as a laptop, mobile phone, USB drive) I bring to school or a school-related activity. Any images or material on such equipment must be appropriate to the school environment. I also understand that the school can view the contents stored on these devices when brought to school or a school activity.
11. I will not connect any device (such as a USB drive, camera or phone) to, or attempt to run any software on, school ICT without a teacher's permission. This includes all wireless technologies.
12. I will ask a teacher's permission before giving out any personal information (including photos) online about myself or any other person. I will also get permission from any other person involved. Personal information includes name, address, email address, phone numbers, and photos.
13. I will respect all ICT systems in use at school and treat all ICT equipment with care. This includes:
 - Not intentionally disrupting the smooth running of any school ICT systems
 - Not attempting to gain unauthorised access to any system
 - Following all school cybersafety rules, and not joining in if other students choose to be irresponsible with ICT
 - Reporting any breakages/damage to a staff member.
14. I understand that the school may monitor traffic and material sent and received using the school's ICT network. The school may use filtering and/or monitoring software to restrict access to certain sites and data, including email.
15. I understand that the school may audit its computer network, Internet access facilities, computers and other school ICT equipment/devices or commission an independent forensic audit. Auditing of the above items may include any stored content, and all aspects of their use, including email.
16. I understand that if I break these rules, the school may inform my parent(s). In serious cases the school may take disciplinary action against me. I also understand that my family may be charged for repair costs. If illegal material or activities are involved, it may be necessary for the school to inform the police.

Section C: Secondary School Cybersafety User Agreement

Schools and the CSO will be doing their best to enhance learning through the safe use of ICT. This includes working to restrict access to inappropriate, illegal or harmful material on the Internet or school ICT equipment and devices at school, or at school-related activities. Working progressively with students and their families, teachers will encourage and develop an understanding of the importance of cybersafety.

This includes providing children with strategies to keep themselves safe in cyberspace and attending to enquiries from parents or students about cybersafety issues.

We will respond to any breaches in an appropriate manner as per the CSO Workplace Internet, Email and Network Usage Policy document.

To the student/parent/caregiver/legal guardian, please:

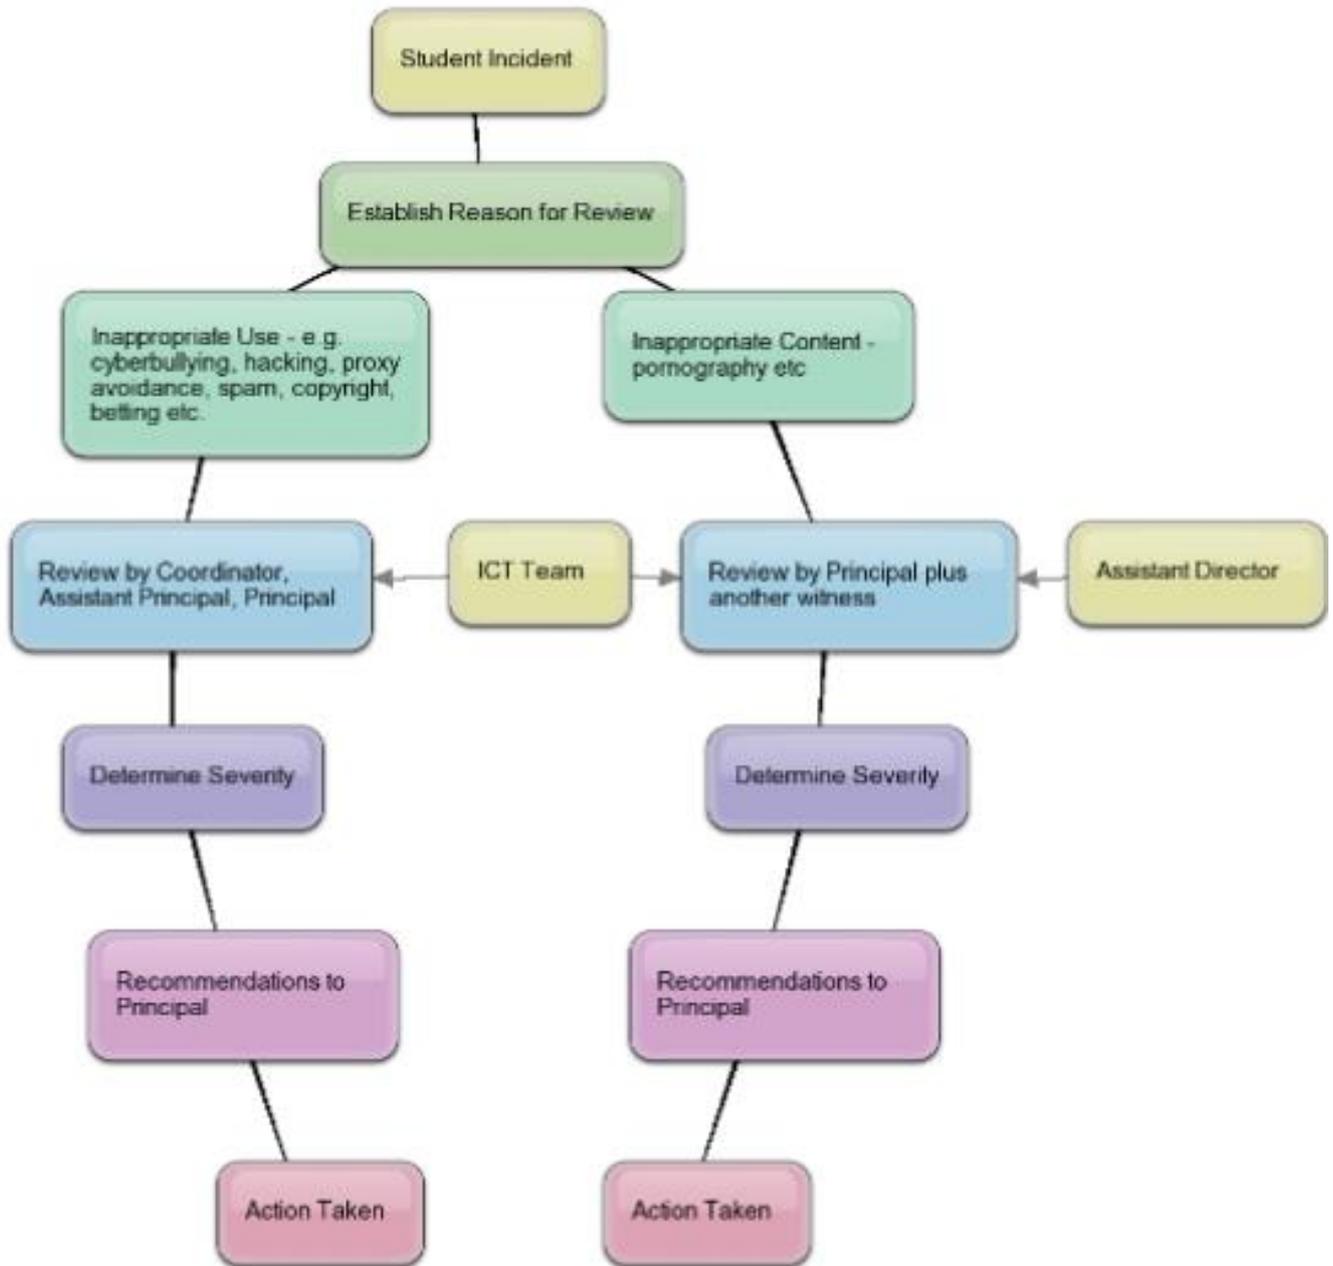

1. Read this page carefully to ensure that you understand your responsibilities under this agreement
2. Sign the appropriate section on this form
3. Detach and return this form to the school office
4. Keep the document for future reference, as well as the copy of this signed page which the school will provide.

Student responsibilities include:

- Reading this cybersafety use agreement carefully and discussing the agreement with my parents.
- Following the cybersafety rules and instructions whenever I use the school's ICT
- Following the cybersafety rules whenever I use privately-owned ICT on the school site or at any school-related activity, regardless of its location
- Avoiding any involvement with material or activities which could put at risk my own safety, or the privacy, safety or security of the school or other members of the school community
- Taking proper care of school ICT. I know that if I have been involved in the damage, loss or theft of ICT equipment/devices, my family may be responsible for the cost of repairs or replacement
- Keep this document somewhere safe so I can refer to it in the future
- Asking the school's staff if I am not sure about anything to do with this agreement.

By completing the Online Student/Parent Acknowledgement Agreements and Information you have agreed to the Catholic Schools Secondary School Cybersafety User Agreement.

Parent Declaration for Social Media Involvement

Our school social media pages are available to all, providing families with the latest information regarding happenings at our school. The pages allow the school to give quick reminders of events and update any last minute changes when a note to the whole school is not possible. The school can also share some of the achievements or highlights of school events.

It is important to note that this will not replace any of the school's existing forms of communication so there is no disadvantage in not having access to online social media pages. It will just be another means of communication for anyone who is interested.

In line with the CSO's Social Media Acceptable Community Use and Content Policy parents are asked to follow these important guidelines when using the school's official social media pages.

Please read these carefully.

- The school's social media pages are designed to give up-to-date information to members of the school community. It is not a space to vent frustrations or name and shame anyone in our community. Parents wishing to make a complaint should refer to the CSO's Complaints and Grievances Resolution Policy (2013) and the accompanying support documents.
- Parents are asked not to share information, photos, videos, etc. of any individual other than themselves without clearly expressed permission prior to publication.

Parent Declaration

By completing the Online Student/Parent Acknowledgement Agreements and Information you have agreed to the Catholic Schools Parent Declaration for Social Media Involvement.

Permission for Off Site Activities

As you are probably aware, St Francis Xavier's College has limited outdoor space that is appropriate for physical activity, specific cultural and curricular activities. Fortunately, the College finds itself surrounded by wonderful resources and facilities within a short distance of the campus.

In order to provide our students with increased teaching and learning opportunities it is essential that permission be granted for each student to leave the College campus to conduct such activities at surrounding facilities within the local area and surrounding suburbs.

In the event that an activity is held '*off site*' it would be beneficial that students receive annual permission to travel to and from venues situated within a 5km radius of the College. Such permission would allow students to make their own way to and from the venue safely and respectfully. Students travelling by car in school hours or having a student as a passenger must complete the appropriate transport forms.

Vocational Education Training VET Course Privacy Notice

Privacy Notice

The Diocese of Maitland-Newcastle Catholic Schools Office is required to collect personal information from students studying VET course/s. The reasons why this information is required is explained below. To this end would you please sign or have your child sign (if over 18) the declaration and consent form.

Under the Data Provision Requirements 2012, RTO 90477 (Diocese of Maitland-Newcastle Catholic Schools Office) is required to collect personal information about you and to disclose that personal information to the National Centre for Vocational Education Research Ltd (NCVER).

Your personal information (including the personal information contained on this enrolment form and your training activity data) may be used or disclosed by the Diocese of Maitland-Newcastle Catholic Schools Office for statistical, regulatory and research purposes. The Diocese of Maitland-Newcastle Catholic Schools Office may disclose your personal information for these purposes to:

- Commonwealth and State or Territory government departments and authorised agencies
- NCVER

Personal information disclosed to NCVER may be used or disclosed for the following purposes:

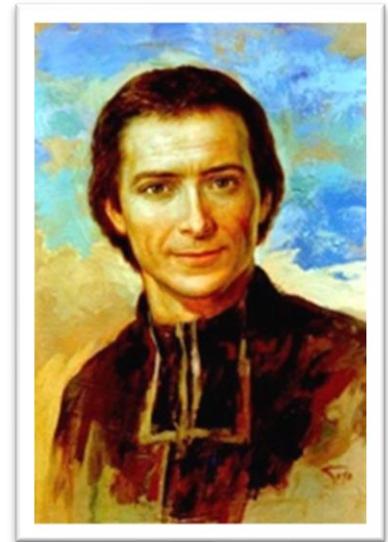

- Populating Authenticated VET Transcripts
- Facilitating statistics and research relating to education, including surveys and data linkage
- Repopulating RTO enrolment forms
- Understanding how the VET market operates, for policy, workforce planning and consumer information
- Administering VET, including program administration, monitoring and evaluation

You may receive a student survey which may be administered by a government department or an NCVER employee, agent or third party contractor or other authorised agencies. You may opt out of the survey at the time of being contacted.

NCVER will collect, hold, use and disclose your personal information in accordance with the Privacy Act 1988 (Cth), the National VET Data Policy and all NCVER policies and protocols (including those published on NCVER's website at www.ncver.edu.au).

Disability Provisions

St Francis Xavier's College is committed to providing a level of excellence in Learning Support. The **Learning Support Faculty** coordinates the collaboration with families, school counsellors, health professionals and mainstream teachers on appropriate adjustments for students with a disability. **Learning Support** is based in the **Mackillop Centre**, which is a purpose-built centre designed to accommodate the diverse needs of our students.

We offer:

- Case Management for mainstream students with a disability
- Case Management for those with diagnosed mental health concerns including anxiety
- EALD (English as an Additional Language or Dialect)
- Literacy & Numeracy Support (Curriculum Support)
- HSC Life Skills Courses for students with special needs
- Coordination of Disability Provisions

Disability Provisions are adjustments which allow students with a disability the opportunity to access and respond to the curriculum on the same basis as students without a disability. This is in keeping with the NSW Education Standards Authority (NESA) guidelines. The allocation of Disability Provisions for Year 11 students is a school-based decision. For the HSC, NESA require a formal application, which the school will coordinate with students and families.

If a student is eligible, some examples of common Disability Provisions provided during formal assessments and examinations may be:

- Mental Illness – rest breaks and smaller group supervision
- Diabetes – breaks to manage blood sugar levels
- Learning Difficulty – a reader and/or a writer or extra time
- Physical Disability or Chronic Illness – breaks and/or other physical supports

To access **Learning Support** and/or to be eligible for **Disability Provisions** you will need to:

- Provide a diagnosis letter or report to the College from an appropriate medical or health professional e.g. Paediatrician, Psychologist, Psychiatrist, Optometrist.
- The letters and medical reports inform the school on the necessary supports for your child in the classroom and also allow Disability Provisions to be allocated to a student.
- Students with Learning Difficulties may also access Learning Support / Disability.
- Provisions without a diagnosed disability. To be eligible, these students will undergo Literacy Testing during Term 1.

Disability Provisions

The letter from the medical professional should include:

- Diagnosis (DSM-5 or ICD-10 code if providing a diagnosis of a neurodevelopmental or mood disorder)
- Date of diagnosis and likely duration
- Description of how the condition would affect the student in an examination setting
- Details of medications the student is taking for this condition, including side-effects the student is experiencing
- Details of treatment or therapy for the condition
- List of appropriate adjustments suggested for the student in the school setting
- Examples of appropriate provisions to support the student during formal assessment processes

For more information from NESA on Disability Provisions for senior study refer:

Volunteer

Our parent volunteers are very important to us at the College. You assist us with essential work that helps to give this College its special character. Parent volunteers can volunteer in the following areas:

- Canteen: One day a month on a mutually convenient day.
- Exam Supervision: During the major exams such as the Trial Higher School Certificate.

VOLUNTEERS' INDUCTION – SAFEGUARDING

The Catholic Diocese of Maitland-Newcastle has an absolute and abiding commitment to promote the safety, welfare and wellbeing of children. As a volunteer working in a diocesan school, you should be aware of your obligations and responsibilities in protecting students from abuse or neglect.

Becoming a volunteer

To be able to volunteer within a diocesan school you are required to register online <https://www.mn.catholic.org.au/people/volunteer/> and complete all necessary checks, inductions and safeguarding training relevant to your volunteer role. This may mean you will be required to obtain a Working with Children Check and/or National Police Check. All paperwork and checks are to be completed and verified before you can commence in your role. Safeguarding training must occur within six months of your commencement as a volunteer.

The Children and Young Person's (Care and Protection) Act 1998

As a volunteer in the state of NSW you can report certain information to the Department of Communities and Justice (DCJ). You should discuss your concerns with a teacher, assistant principal or principal. You can report your concerns to the DCJ Child Protection Helpline (Ph. 132 111, 24 hrs/7 days) if you have reasonable grounds to suspect that a child or young person is at risk of significant harm and your concerns are current. Risk of significant harm may occur from a single act or omission or to a series of acts or omissions.

It is better to be safe than sorry, so if you are uncertain, talk to a staff member at the school.

Part 4 of the Children's Guardian Act

Part 4 of the Children's Guardian Act defines diocesan schools as a "schedule 1 entity" and as such we must have systems for preventing, reporting (to the Children's Guardian) and investigating reportable conduct.

All volunteers who hold a Working with Children Check for the purpose of their role within a diocesan school fall within the scope of Part 4 and may be investigated for alleged "reportable conduct", which includes sexual offences, misconduct, assault, ill-treatment, neglect, and behaviour that causes psychological harm to children.

As a volunteer "working" at a diocesan school, any alleged reportable conduct will be investigated. It does not matter if the conduct is alleged to have happened outside school and in your private lives.

The [Office of Safeguarding](#) is the Diocese's specialist safeguarding and child protection service that works with the Children's Guardian to ensure the Diocese meets its obligations under Part 4. As volunteers you should co-operate with any investigation conducted by the Office of Safeguarding.

The Child Protection (Working with Children) Act 2012

Under this legislation, people who undertake a role in child-related work in a paid or volunteer capacity in the Diocese of Maitland-Newcastle are required by law to have a Working with Children Check Clearance. This "clearance" can be obtained by applying online at

<https://www.kidsguardian.nsw.gov.au/child-safe-organisations/working-with-children-check>

Volunteers receive a clearance for free, and it lasts up to five years.

Exemptions apply for volunteers who are a close relative of a student enrolled at the school. See "Statutory Screening Selection Tool" on page 26 of the Volunteer Induction Handbook.
